QUICK REFERENCE

Check: d20 + stat + skill + gear + chrome. A natural 1 always fails.

DIFFICULTY	FAILURE	PARTIAL	FULL
Easy	5 or less	6–15	16+
Medium	10 or less	11–20	21+
Hard	15 or less	16–25	26+
Very Hard	20 or less	21–30	31+
Nigh Impossible	25 or less	26–35	36+

Partial: it works with a catch, or +1d4 Tension. **Failure:** it fails, it works with a complication, or +2d4 Tension.

Attacks start at Medium. One step harder for partial cover, Evade, a small target, darkness or smoke. Unaware or immobilized targets are hit automatically.

Damage: partial = 1 die · full = dice equal to the multiplier · subtract armor (halved by armor piercing).

3 AP per turn. Move 30 ft per Move.
